### Key Locations

To support in-person student programming, the following locations and spaces have been identified and prepared with consideration for health and safety requirements.

Key Operational Locations		
Location	Guidelines	Location(s) in Your

		School
<b>Arrival Space</b>	<p>Each school should designate a minimum of one entry point.</p> <ul style="list-style-type: none"> <li>The entry point that most allows for social distancing/staff oversight should be selected.</li> </ul> <p>Based on the volume of students and availability of staff, schools should select more than one entry point to improve the arrival process.</p> <p>Please indicate the number of entry points.</p>	Main Foyer
<b>Health Isolation Room</b>	<p>Each school is required to designate a COVID-19 related Health Isolation Room separate from the nurse’s office. A student who shows COVID-19 symptoms during the arrival process or school day is to be directed to the specific room until they can be picked up by a guardian. Staff must also wait in this room if they exhibit COVID-19 symptoms at arrival or throughout the day if they are waiting for someone to pick them up.</p> <p>The Health Isolation Room should:</p> <ul style="list-style-type: none"> <li>Be no more than 100 feet from the arrival/entry location, but ideally within 50 feet.</li> <li>Be a minimum of 850 square feet to accommodate 10 students. If a room this size is not available, the number of students that can be accommodation will be reduced.</li> <li>If possible, the room should have an en-suite bathroom. Otherwise, a nearby all-gender toilet room should be identified for use by students in the Health Isolation Room.</li> </ul> <p>Have chairs or desks available to accommodate students.</p>	Family Center
<b>Guardian Pick-Up Space</b>	<p>Each school is required to designate a Guardian Pick-Up Room. Students will be directed here if they do not have a designated classroom to attend that day and have passed the OSSE “Ask, Ask, Look” protocol.</p> <p>For additional information on scenarios in which students would come to this room, please see “Unanticipated Student Scenarios” section.</p>	Conference Room (Main Office)

### Student Arrival

To support social distancing, both students and staff will be scheduled to stagger arrival. Please see student staggered arrival planning:

Staggered Arrival Schedule	
Average number of students per day	173
Number of waves	7 (3 waves front entrance 4 waves playground entrance)
Time of waves (i.e. 7:45-8am, 8am-8:15am, etc.)	8:40 : (1) Tot Lot Entrance K (2) Playground Entrance ECE 8:45: (3) Tot Lot Entrance 1 <sup>st</sup> (4) Mid Playground Entrance 3 <sup>rd</sup> 8:50: (5) Tot Lot Entrance 2 <sup>nd</sup> (6) Mid Playground Entrance 4 <sup>th</sup> 8:55: (7) Mid Playground Entrance 5 <sup>th</sup>
Please describe your strategy to stagger arrival & staff the arrival process.	

**Student Dismissal**

Student dismissal may be staggered by dismissal type (guardian pickup, walking, etc.), by grade, or by any other strategy that support social distancing in the dismissal process.

Staggered Dismissal Schedule				
Wave Cycle	Time Period	Location in Your School	Grade Band	Type of Dismissal
1	3:00	Green Top (Inclement Weather: Egress Doors From Classroom/Orange Stairwell)	ECE	Outdoor
2	3:00	TotPlayground (Inclement Weather: Egress Doors From classrooms)	Kinder	Outdoor
3	3:05	Field (Inclement Weather: Commons back door)	1 <sup>st</sup> - 2 <sup>nd</sup>	Outdoor
4	3:15	Field	3 <sup>rd</sup> - 5 <sup>th</sup>	Outdoor
LATE Pick Up	3:30	Commons	All	Outdoor

**Bathroom Use Scheduling & Strategy**

To support students, there will be a developed bathroom use strategy for students to abide by health and safety guidelines.

Bathroom Use Strategy	
Number of student bathrooms	17
Number of classrooms	16
Please enter how you plan to limit the number of people in the bathroom at the same time through one of the strategies above, or through a plan tailored to your school.	
<p>For 1<sup>st</sup> – 5<sup>th</sup> grades each class will be assigned to the communal bathroom on their floor. Communal Restrooms will be limited to 3 students. (every other stall/ urinal will be marked as closed) We will use a combination of scheduled restroom breaks and frequent restroom checks to minimize cross cohort exposure</p> <p>For ECE-K and CES classrooms students will use the in-class restroom facility all in class restrooms are single use and therefore limited to 1 student at a time</p> <p><b>ECE + Kinder + CES - restrooms in classroom</b>  <b>1st Grade - East 2nd Floor Student Restrooms</b>  <b>2nd Grade - East 1st Floor student restrooms</b>  <b>3rd -5th grade - Timed scheduled restroom breaks using West 2nd floor student restrooms</b></p> <p>*** For all communal Student restrooms: Every other stall closed and every othe urinal covered and closed</p>	

**Water Access Strategy**

To support students, there will be a developed water access strategy for students to abide by health and safety guidelines.

Water Access Strategy	
Number of water filler stations in school that are currently operational	0
Placement of water coolers (identify locations throughout school suitable for water cooler)	Near wall fountains on each floor there are 6 spaces where coolers can be placed

**Please enter your water access strategy (e.g. students will be scheduled to fill reusable water bottles 2x/day, pitchers and cups will be available in classrooms, etc.)**

Water coolers provided by DCPS will be used to fill Pitchers provided by DCPS. Pitchers and cups will be in classrooms for students to fill as needed for drinking water.

### Learning Spaces & Hallways

Learning spaces, classrooms, and hallways will be uniformly set up to welcome students and staff safely.

Space Set-up	
Classrooms	<ul style="list-style-type: none"> <li>Classroom counts are limited to 11, or fewer, students</li> <li>Classrooms are set up to facilitate social distancing and limit sharing of materials</li> <li>Classrooms have cleaning materials present</li> <li>Hand sanitizer will be present</li> </ul>
Hallways	<ul style="list-style-type: none"> <li>Social distancing floor decals are placed across school hallways</li> <li>Signage is posted throughout the building for health and safety guidance</li> </ul>

### Visitor Management

Whenever possible, visits should be conducted virtually. In event an in-person visit is required, visitors will be required to schedule an appointment.

Scheduling of Visitor Appointments
<ul style="list-style-type: none"> <li>Whenever possible, meetings should be moved to a virtual platform. If an in-person meeting is essential, all visitors must make an appointment at least 24 hours in advance.</li> <li>Visitors without an appointment should only be permitted entry with the approval of school administration.</li> <li>All visitors will be required to complete the OSSE “Ask, Ask, Look” protocol prior to entry, have their temperature taken, wear a face covering at all times on the school grounds and inside the school building, and adhere to social distancing guidelines should be followed.</li> </ul>
