WHO WE ARE & WHAT WE DO

The DCPS LGBTQ and Sexual Health Program oversees LGBTQ+ programming and sexual health services, provides training, targeted assistance, and resources, and collaborates with local partner organizations to build strong communities of support and awareness. We also consult on matters of equity and inclusion to ensure our students, staff, and families are supported and affirmed.

MONTHLY PARENT/CAREGIVER COFFEE CHATS

Led by the DCPS LGBTQ and Sexual Health Program Specialist, these virtual monthly coffee chats are an opportunity to build community, find resources, and establish a network of support across the DMV region. Participation is open to parents/caregivers of LGBTQ+ youth and those who identify as LGBTQ+ themselves.
